GREENBURGH-NORTH CASTLE UNION FREE SCHOOL DISTRICT

SUBJECT: VISITATIONS

Policy Statement:

It is strong belief of the District that visitations are an integral part of the partnership that exists between school and home. As such, the District recognizes the value and importance to support such endeavors. Students enrolled in St. Christopher's Inc. residential program are encouraged to visit home during non-instructional times (weekends, holidays, vacations). In addition, parents/legal guardians and other family members are encouraged to visit the schools and campuses on a regular basis. Parents and students can utilize District and St. Christopher's, Inc. social workers, guidance counselors and other support personnel to help facilitate this process. District and St. Christopher's, Inc. administration will fully support every parent/legal guardian and other family members wish to visit with their child.
